Subject: Summer school

Hi Laura!

I've got some news. This summer we (me and my brother Paolo) are going to go to a summer school in England.

It's going to be great fun but we are going to work very hard too! There are going to be English lessons every morning from 9.00 to 12.00. We are going to join a club too and after lunch (from 1.00 to 4.00) we are going to do things in the club. There are a lot of clubs – I'm going to do Drama Club and Paolo is going to do Film-making. We are going to write and act in a play in English!

On Friday evening, we're going to have free time and we can chat to other students, play sports or on Saturday we can go the school disco. At the weekend we are going to go on trips to London on Saturday and Cambridge on Sunday; we're going to visit the London Science Museum on Saturday morning and then eat lunch in front of Big Ben! In the afternoon we are going shopping. Unfortunately, we don't have time to visit Nottingham. I wanted to see the Robin Hood Museum, but maybe next time! I found these pictures on the Internet, but I'm going to take real photos when I'm there!

It's going to be great!
